

Have a Good Day!
by Alison Hedger AHCM322

Some days are wet,
Some days are dry.
Whatever the weather we must try
To have a good day.
“Good day!”

Some days are hot,
Some days are cold.
Whatever the weather we are told
To have a good day.
“Good day!”

Some days are sunny,
Some days are grey.
Whatever the weather we shall say
“Have a good day!
Good day!”
