

IZZY'S HANDBAG

I have a little blue handbag,
As I walk it bangs my knee.
It was a birthday present
And it's very dear to me.

It has a boxy bottom
So it can stand alone -
It is the perfect hiding place
For my own mobile phone.

The handle sits up by itself
And is covered with some lace.
Pretty sparkles decorate the front,
Four studs are on the base.

I love the little zipper purse
Which is my bestest place:
I zip it up and zip it down
And pull a grown-up face!

I take all sorts of things with me
When I go out all day.
A lipstick and an elastic band,
And a game for me to play.

My bag is full of precious things
Which I take everywhere;
Including my old floppy doll
And a brush to do her hair.

All my friends have seen my bag
And think it simply great.
I hope I get another bag,
Next birthday when I'm eight!
