clapping or percussion

These are the colours of our flag. Red, white and blue.

Activities to maximise on the song

1. Have three groups; the Reds, the Whites and the Blues, who clap once on "their" word - red, white, blue.
2. Enjoy the clapping/percussion rhythmic pattern as shown on the music. Point out that this pattern only ever comes after the word "blue".
Use wooden spoons and up-turned empty plastic tubs if you don't have any drums!
3. Sing and march.
4. Wave flags - which can be homemade.
